KS2 SATS Tests

Year 6 pupils took their SATS tests last week. It was a very nervous time for them, however they have all tried so hard and we are incredibly proud of the effort and determination they all showed.

We would like all our children to remember though, that the SATs tests do not assess what makes each of them special and unique. They do not tell us whether they are a kind and thoughtful person, or if they are fantastic at Art or sport. They are all smart, special and amazing in their own unique way!

Year 5 Production

A huge well done to all of our Year 5 children for their outstanding 'Barcelona' performance this week. They did a fantastic job and learned a great deal about the city of Barcelona, as well as speak in Spanish.

Staff Update

We are sad to be saying goodbye to our site manager Mr Gilbertson this week. He has been a huge asset to the school and we want to wish him a happy and successful future as he starts his retirement. We have appointed Mr Toomer who is an experienced site manager and he will be starting with us in the middle of June. I'm sure you will support us in welcoming him to the Higher Fallsworth family.

Our school business manager, Mrs Webb, has finished this week to pursue a different career. We would like to thank her for all she has done and wish her all the best in her future endeavours.

Sporting Success

26th April 2024 - Year 4 Football @

Man City

A big 'THANK YOU' to Esmee in Year 5

One of our Year 5 Pupils, Esmee H participated in a Sponsored Keep-Uppy Challenge throughout March. Her aim was to raise money for football equipment for our school, so all the children can access the sport that she loves.

With the money she raised we have managed to buy some new football nets & corner flags.

Everyone at HFPS would like to thank Esmee for completing her challenge and for the money she has raised.

Parking outside School

Please be considerate of our neighbours and the safety of our community when dropping off and collecting your children in a car. We have had a number of complaints recently about anti-social parking and have had concerns raised about people dropping off on the zigzag lines directly outside school. There are white lines on the road. Help us to keep our children safe and park safely!
