September 2024

Dear Parents/Carers

### **Year 5 WonderDome – 21st October 2024**

As part of our 'Space' topic for this half-term, WonderDome will be visiting school to provide an immersive, planetarium show where children will be transported on a cosmic journey, a thrilling adventure exploring the wonders of the universe.

This workshop will provide children with the opportunity to extend their learning of space, whilst engaging in exciting and immersive activities.

***We are asking for a voluntary contribution of £6.50 per child towards this event to help to cover costs. An item has been set up on parent pay for you to pay, should you require a barcode, please contact the school office directly.***

Please note, should we not have enough voluntary contribution, we may have a look at cancelling this event.

Yours Sincerely

Miss Appleton & Mr Halliwell.
