

HIGHER FAILSWORTH PRIMARY SCHOOL

Meet the Governors – Sara Burns

I am Sara Burns and I am a Co-opted governor for our school. I previously taught at Higher Failsworth for 35 years and during that time I had the pleasure of teaching many fabulous children, building supportive partnerships with families and working with dedicated staff and governors.

Although in my career, I taught in all year groups in Key Stage One, most of my teaching career was in Early Years where I had the honour of teaching the youngest children in school.

I believe that the pupils at Higher Failsworth deserve and receive a curriculum which is enriching, challenging and inclusive for all.

My heart and soul are embedded in our school and so I hope to draw on my school life experience to continue supporting school to develop further in any way possible.
