January 2025

Dear Parents and Carers,

Re: NSPCC Number Day 2025

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 7th February 2025**

We are having a fun day of maths activities and we will be taking part in Dress up for Digits. Pupils are invited to wear an item of clothing with a number on it such as a sports team shirt, cap or even a onesie! Or you could get even more creative by dressing in a maths or numbers theme. Alternatively, children can wear their own clothes. **To help raise money for the NSPCC, we are asking for a suggested donation of £1 which you will need to pass to your class teacher on the day and we'd love everyone in the school to take part in this special event.**

Everything the NSPCC does protects children today. They need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern. On average, a child contacts Childline every 25 seconds.

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We're really looking forward to all the fun of Number Day, and we really appreciate your support.

All the money we raise at Higher Failsworth Primary School will make an enormous difference to children today and help the NSPCC be there for children tomorrow. Thank-you for your support.

Yours sincerely,

Mrs Forster

Headteacher
